Dear Readers,

As we turn the pages of another vibrant school term, it gives me great joy to reflect on the many activities and achievements that made July to September a truly memorable period.

This quarter was filled with opportunities for our students to learn, grow, and shine beyond the classroom. From the spirited Independence Day celebrations, where patriotism filled the air, to the Inter-House competitions that showcased creativity, teamwork, and sportsmanship, our campus was alive with enthusiasm. The Teachers' Day program reminded us of the invaluable role our educators play in shaping young minds, while various academic and cultural events provided platforms for students to display their talents and leadership.

Equally inspiring were the initiatives aimed at community building and holistic development—be it workshops, field activities, or outreach programs. Each event was a testament to the commitment of our teachers, the energy of our students, and the support of our parents.

As you browse through this issue, we hope you will relive these moments with the same pride and joy with which they were created. Let us carry forward the momentum of this term, nurturing curiosity, discipline, and creativity as we step into the next.
